Enjoy Japan's four seasons with the JAL Japan Explorer Pass!

Kusasenri (Aso)

Kusasenri boasts beautiful locations that overlook Aso Nakadake, a still smoking volcano. From lush green summers to snow-white winters, visitors can enjoy all four seasons here.

Kabira Gulf (Ishigaki Island)

This is one of Okinawa's most well-known picturesque areas, and the Kabira Gulf boasts some of the clearest water in the world. Here, you can view coral reefs and tropical fish up close.

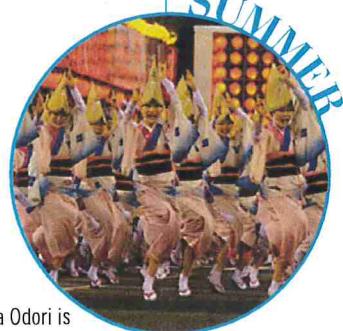

ISHIGAKI

SUMMER

Enjoy festivals and the ocean

Awa Odori (Tokushima)

Boasting a 400-year history, the Awa Odori is an event that boasts worldwide fame. Performed in locations around Japan, the Awa Odori performed in Tokushima is one of the largest in the country.

Hirosaki Castle (Aomori)

Built 400 years ago, Hirosaki Castle is surrounded by a park that bustles with tourists, particularly from late April to early May when its famous cherry blossoms are in full bloom.

SPRING

Enjoy cherry blossoms and spring leaves

NIIGATA

KANAZAWA

TOKYO

NAGOYA

OSAKA

HIROSHIMA

FUKUOKA

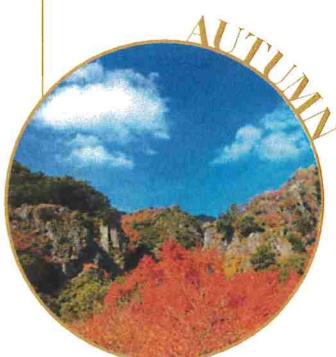

NAGASAKI

KAGOSHIMA

NAHA

AUTUMN

Enjoy fall foliage and spiritual places

Kankakei Gorge (Shodoshima Island)

Located virtually in the center of Shodoshima Island, the Kankakei Gorge boasts interestingly shaped rocks and stones created through crustal movement and erosion caused by volcanic activity about 13 million years ago.

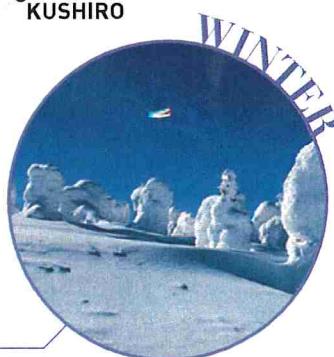

Sapporo Snow Festival

Held annually in early February at venues around Sapporo including Odori Park, this snow and ice festival attracts approximately 2 million visitors from both Japan and abroad every year.

WINTER

Enjoy a world of ice and snow

Zao (Yamagata)

A range of peaks that spans the borders of Miyagi and Yamagata Prefectures, Zao offers many attractions including hot springs born of volcanic activity. The frozen trees of Zao known as snow monsters are particularly famous.

Izumo Grand Shrine (Shimane)

Izumo Grand Shrine is one of Japan's most well-known spiritual spots. A symbol of Izumo, known as the Land of the Gods, this shrine is the perfect place to experience a more introspective side of Japan.
